**CFC**

**CERTIFIED FINANCIAL CONSULTANT**

## INTRODUCTION

CFC or Certified Financial Consultant certificate is a consulting professional certification for financial managers, financial controllers, senior accountants, managers and supervisors with financial / accounting responsibilities. Long experience is required with a minimum diploma degree level.

## STANDING

CFC Certification is the second step to become a **Chief Financial Officer (CFO)**. You need to pass Certification in Financial Management (CFM) before taking this certification. The final step is to earn your CFO certification.

**REACH YOUR HIGHEST POTENTIAL  
START TODAY...**
