The Chartered Institute for Securities and Investment (CISI) Certification Certified International Securities and Investments is designed to meet the requirements of individuals working in the securities and derivatives markets who need to obtain Financial Services Authority (FSA) Approved Person status. Each year more than 5,000 candidates take the Certificate in Securities and more than 2,000 candidates take the Certificate in Derivatives.

AIAL is well established in preparing candidates for these exams. Our pass rates speak for themselves. We understand the industry and we've got firsthand knowledge of the exams. Every one of our trainers has sat the exams. So they know how you're feeling. They draw on their experience to make classes memorable and to make the course content relevant to your job.
