

COMPLIANCE TRAINING

Certified Compliance Officer and Analyst (CCOA)

Certified Compliance Officer and Analyst is a management program designed to teach a practical understanding of regulatory compliance needs. The program covers eight major subject areas and utilises a variety of training techniques. The key areas of the curriculum include understanding the regulatory environment, who is responsible for compliance, the role of corporate governance and ethics in compliance programs, and the implementation of compliance programs. The emphasis will be on practical and pragmatic approaches, rather than theoretical.
