

ISLAMIC FINANCE

Certified Islamic Specialist in Trade Finance

From CIBAFI Website:

"Economic relations between nations have often been characterized by the dependence of these nations on each other to satisfy their needs of goods and services .This makes of trade one of the most vital sectors in any society be it developed or still developing for foreign trade has served as a link connecting nations to each other and has often represented a core indicator on a state's productivity and competitiveness capacities in the international market, as well as the state's ability to export and import, and the reflection of all that on the state's balance of foreign currencies and its impacts on the trade balance.

The Certified Islamic Specialist in Trade Finance will allow for the mastery of the requirements and the prerequisites necessary for the conclusion of commercial contracts relating to Trade Finance with the focus being laid on the preparation and implementation of documents related to letters of guarantee for the Trade Finance. It will also present a detailed view of the letters of credit and other similar operations in the domain of Trade Finance. Similarly, it will provide a view of the mechanisms of the letters of credit, their conditions, their types, their provisions, their various complexities, their Islamic legal controls, the risks they involve and ways to avoid them. "
