

## MANAGEMENT/ADMINISTRATION

Management Consultant Professional (MCP)

This is an executive program exploring the world of management consulting. The program is designed to facilitate a framework for providing management counsel to clients, institutions in the public and private sector. Candidates will incorporate the informational fabric from the core curriculum and become open to examples of comprehension in their technical expertise and experience in global consulting roles to organizations.

The modules are created to show candidates the key topics of the profession and to discussed, analyzed and understood. Candidates will also be expected to work break out groups and teams to present consulting services to actual clients and prepare solutions to case studies.
